### The Busy Little Engine

Words & Music by Jimmy Magoo

The Busy Little Engine  
Wakes up in Dinkytown  
Hooks up to the cars that he is pullin'  
His happy little whistle makes a happy little sound  
And then the Busy Little Engine starts a-rollin'

With a woo woo woo  
And a clackity clack clack  
The Busy Little Engine is a-comin' down the track  
Me and you-woo-woo  
Are gonna watch the wheels go 'round  
When the Busy Little Engine comes to town

The Busy Little Engine  
Is curious about the world  
He likes using his imagination  
He always learns new things as he's travelling around  
You know he's my favorite mode of transportation

Chorus: With a woo woo woo...

### Curiosity

Words by Desmond Mullen & Jimmy Magoo  
Music by Jimmy Magoo

Curiosity  
What could there be?  
What's up ahead?  
Waiting for me.  
What will I learn?  
What will I see?  
I want to know.  
Curiosity  
Will we cross a bridge?  
Would we see a plane?  
Will there be a tunnel?  
Maybe with a train?  
Could there be a lake?  
Will we see a boat?  
Could there be a mountain?  
Or a mountain goat?

Chorus: Curiosity...

Will we see a cow?  
Or a fuzzy sheep?  
Would they run around?  
Or would they be asleep?

Could there be a goose?  
Could there be a duck?  
A Busy Little Engine?  
Or a fire truck?

Chorus: Curiosity...

### Back on the Road

Words & Music by Jimmy Magoo

Back on the road  
Headed for my home  
Back on the road  
Headed for my home

We took a little ride  
Across the countryside  
We made a few new friends  
And we're going home again

Chorus: Back on the road...

We went a long, long way  
We learned a lot today  
Saw what's around the bend  
We'll be coming back again

Back on the road  
It was fun to roam  
Back on the road  
Headed for my home  
Back on the road  
Travelling with you  
Back on the road  
doo doo do do do  
doo doo do do do  
(etc.)
